

Wall Mount For Sonos One

S1-WM (Single) S1-WMX2 (Pair)

Flexson's bespoke bracket for the Sonos One allows you to wall mount your speaker in the ideal place to sound - and look - great. This brand new design gives you yet more flexibility and functionality.

- Bespoke wall mount for Sonos One speaker
- Base seamlessly fits the speaker, holding it securely wherever you want to wall mount it
- Has a unique tilting mechanism (down 15°) plus can swivel up to 80° (40° left, 40° right), so you can perfectly angle your Sonos One
- Can be inverted to securely hold the Sonos One upside down – so its gesture controls and microphone are easily accessible if mounting higher up the wall
- Precision engineered. Quick and easy to fit and adjust
- Available in black or white to perfectly match the Sonos One
- Fixing hardware included for Brick/Masonry or Wood/Studwork
- Designed in the UK
